GENLUX EDITOR AT LARGE

GIFTS FOR HIM —GEORGE BLODWELL

I think we all love this time of year, especially because there's more heart and giving on display. For those of us lucky enough to live in Southern California, it's also a time to layer our attire. Gosh, it even gets cold enough for us to put on a coat. Hurrah! Here is some good news: A new store, Klein Epstein & Parker, named after the managers of The Rolling Stones, The Beatles and Elvis, has opened on Robertson Blvd. that will make you a suit, shirt, tux or coat, all fully bespoke. These made-to-measure suits are sewn in Italy and offer hundreds of fabric choices, all very, very impressive.

I love Marrakech in Morocco. My last trip there was fun, but the famed La Mamounia Hotel was closed for a multimil-

lion-dollar makeover. It has now reopened—thank goodness—and is more exquisite than ever! If you're traveling this season, and you're in the know, use your platinum Amex card to avoid long lines at airports, get upgrades, and receive special privileges that will help make your travel time comfortable and hassle-free. Check out the latest from the Amex platinum card—very cool perks await. More good news is that my favorite artist, Leonard Cohen, is releasing his first album in eight years. The album, 'Old Ideas,' will be available at the end of January. I can't wait!

I wish you all happy holidays and a prosperous new year!

Love, George
